WELCOME TO ISoOR 2023

On behalf of the International Society of Organoid Research (ISoOR), we are thrilled to invite you to become a sponsor for the first ISoOR annual meeting. ISoOR 2023 will be held at NUSS Guild House, Singapore, August 7-8, 2023. This meeting will bring together senior scholars, clinicians and industry professionals from around the world to exchange ideas, share knowledge and foster collaborations to advance the usage of organoid in the health industry.

Founded in 2022, Singapore, ISoOR is an independent, global, nonprofit organization, committed to improving the organoid technical standards and promoting organoid research in various applications, including developmental biology, disease pathogenesis, drug discovery, tissue engineering, personalized therapy, regenerative medicine, etc.

As a sponsor of the ISoOR 2023, you will receive prominent exposure to a global audience of organoid researchers and professionals. This will provide you with an excellent opportunity to build relationships with key academic and industry leaders, promote your brand, and showcase your latest products and services.

Thank you for your consideration, and we hope that you will join us for ISoOR 2023.
